Colors of Europe

Colors of Europe? Why this title?

Because Europe is colorful and beautiful.

Europe is a continent that not only has many kings but also queens who are very powerful. In this exhibition, various pictures of Queen Elizabeth of Great Britain and Queen Margaret II of Denmark are shown in various colors and patterns.

In this exhibition there is also a collage of flags and emblems of the European countries, which are shown in their, but also in other colors !!

There are also pictures of my colorful designs and some of my picture painting.

Special thanks go to my son Armin for his active support in my numerous projects.

Hope you by and large enjoy it.
