I love Photocollage work because it gives me a lot of freedom for artistic work and also creates art curiosities. But what is a collage?

The collage is both a visual art technique and a work of art created using this technique. Traditionally, a new whole is created by gluing different elements onto a base, hence the name (from the French word coller - "to stick"). There are also collages beyond the boundaries of the visual arts, namely as music videos in the style of “Yes We Can”, as literary collages in the style of Walter Kempowski, as text

and sound collages such as Alfred Andersch's “The Death of James Dean” or as text Picture collages like those by Herta Müller.

Special thanks go to my son Armin for his active support in my numerous projects.

**So have fun
